**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I believe in a fair market. ATT has owned this market for too long. At the first opportunity to jump in with a local carrier I switched service. Not only does Sonic support net neutrality, they care about their customer base. Please dont let a giant corporation squash a small local provider. I was tired of the constant rate hikes and service by ATT, along with the shoddy customer care team. They really dont care. Please save Sonic and let them continue to provide not only competitive but caring service to our local community.
